

The 25th EDITION OF THE
**FLUIDIZED BED
CONVERSION CONFERENCE**

April, 2025
Nanjing
China

CALL FOR ABSTRACTS

We are delighted to announce that the 25th International Conference on Fluidized Bed Conversion will take place **April 7-10, 2025** at Southeast University in Nanjing, China. Since the inception of the first FBC conference in 1968, it has consistently served as a successful forum for fostering collaboration and disseminating cutting-edge research. The 25th FBC conference is committed to upholding this legacy by covering the most recent developments in fluidized bed conversion, ranging from fundamental principles to practical applications.

Authors interested in presenting a paper should upload abstracts at the conference website: **FBC25.com**;

Contact email: **FBC2025@126.com**

CONFERENCE TOPICS

- Fundamentals:
 - ✓ *Particulate Solids and Fluidization*
 - ✓ *Chemical Reactions*
- Combustion, Pyrolysis, Gasification
- Modeling/CFD/ “AI+”
- Advanced Diagnostics
- CO₂ Capture Processes
- Scale Up & Design Optimization
- FB Boiler Operational Experience
- Chemical, Calcium, Solid Looping
- Emissions and Environmental Impact
- Solid Inventory and Distribution
- Sustainable and Green Transition Technologies
- Energy Storage

PRELIMINARY DATES

- Sep 1, 2024** Abstract Submission
- Oct 31, 2024 Notification of Acceptance
- Jan 15, 2025 Manuscript Submission
- Jan 31, 2025 Early Bird Registration
- Mar 10, 2025 Final manuscript submission for Special Issue

**We hope to see You at
FBC25 Conference in
Nanjing, China!**
